

Privacy Policy

1. PURPOSE OF THE PRIVACY POLICY

The privacy policy is a constant concern of the company Borino Games and its affiliated companies (parent company, subsidiaries, etc.) (hereinafter referred to as Borino Games) to ensure the protection of privacy of users of the services described below, taking into account the regulations in force and in particular the law 78-17 of January 6, 1978 relating to computers, files and freedoms.

This privacy policy is an integral part of the terms of use governing the games and software applications provided by Borino Games, including via third party social networking platforms (hereinafter referred to as "Platforms"), including all content, services and features accessible via these games and software applications (hereinafter collectively referred to as "Services").

In particular, this Privacy Policy aims to inform you of the general policy implemented by Borino Games regarding the protection of personal data collected and processed following the use of the Services governed by the aforementioned Terms of Use.

By accessing and/or using the Services, you explicitly accept the terms of this Privacy Policy and, therefore, you agree to the collection, retention, use and disclosure of your personal data as described here. You are informed that the Privacy Policy may be modified by Borino Games at any time. Accordingly, by continuing to use and/or access the Services after the date of last modification, you will be deemed to have accepted these changes as modified. You are therefore invited to regularly consult the Privacy Policy to ensure that you are up to date on any eventual modification.

2. DATA COLLECTION

No data is collected or stored by Borino Games.

If necessary, Borino Games is nevertheless likely to collect, via the Platforms, any data that you may agree to provide (for example, your email address).

The data collected and processed are voluntarily provided by you to Borino Games through the Platforms by agreeing to access and use the Services from these Platforms.

As all personal data is provided directly to Borino Games by the Platforms, it is considered that you have read and accepted the terms of use of the Platforms and their privacy policy.

Borino Games cannot be held responsible for the manner in which the Platforms act in terms of collection, storage and processing of your personal data.

In addition, you are responsible for the privacy settings of your accounts on the Platforms in such a way that Borino Games cannot be held responsible in this regard.

3. PURPOSES OF THE COLLECTION AND PROCESSING OF YOUR DATA

The data collected on the Platforms allows for better administration and improvement of the Services, communication between users of the Services, the provision of technical support and effective responses to user requests, the proper application of the General Terms of Use that govern Borino Games Services, communication on new and current Services and on promotional offers,

analysis of user traffic trends and the collection of statistical data or the targeting of advertising content that may appear on our Services.

When you receive promotional communications on behalf of Borino Games, you will be given the opportunity to unsubscribe by following the unsubscribe instructions contained in the communication itself.

4. RECIPIENTS OF YOUR DATA

None of your data will be communicated to third parties.

5. SECURITY OF YOUR DATA

Borino Games does its best to protect your personal data and therefore to limit the risk of loss, damage or misuse of such data.

Thus, when you enter sensitive information such as a credit card number or a password when using our services, we encrypt this information using the "SSL" cryptographic protocol (for more information on SSL, visit http://en.wikipedia.org/wiki/Secure_Sockets_Layer).

Despite the security measures taken, Borino Games does not guarantee the transport and integrity of data transmitted to third parties through the Services (for example, when purchasing Physical and Virtual Products) and cannot be held responsible in this regard.

In particular, you accept the limitations and risks inherent in the use of the Internet and you hereby undertake to take all preventive measures at your disposal to preserve the confidentiality of your personal data (including any potential account password required to use the Services).

6. PROTECTION OF YOUR DATA

Your personal data is not stored or used in any way.

7. COOKIES

In order to facilitate your access and use of the Services, to personalize this access and use and also to allow us to manage the advertising that can be viewed from our Services, you are informed that Borino Games may apply an automatic tracking procedure (cookie).

A cookie does not identify you. On the other hand, it records information about your computer's navigation on the sites from which you accessed the Services and other related areas (the pages you visited, the date and time of the visit, etc.).

However, you can choose to disable "cookies" by configuring your browser according to the instructions indicated on the Wikihow site here: <http://www.wikihow.com/Clear-Your-Browser's-Cookies>. Please note that configuring your browser in this way may affect the quality of the services.

8. THIRD PARTY PRIVACY POLICY

The Services may contain links to third party websites. Similarly, certain content of the Services (advertising or other) may be hosted by third parties.

Finally, for certain features of the Services requiring online payment, you may be required to use secure payment tools provided by third party companies. Borino Games cannot be held responsible for the practices relating to the collection, storage and processing of personal data by these third parties and/or the content of their websites.

You guarantee Borino Games against any complaint, action and proceedings initiated in this regard. If you have any questions regarding the use of your personal data by these third parties, you should refer to their applicable privacy policies and contact the third party companies directly.

9. INTERNATIONAL DATA TRANSFER

Personal data is not collected or stored by Borino Games and is therefore not transferred to another country.

10. TERMINATION / TRANSFER

Borino Games reserves the right to modify its privacy policy and will use all means to notify users of such change or any change affecting the privacy policy.

11. PRIVACY POLICY REGARDING CHILDREN UNDER 13 YEARS OF AGE

Les services offerts par Borino Games ne sont pas destinés aux enfants de moins de 13 ans. Toute personne de moins de 13 ans ne doit pas utiliser les Services.

12. RIGHT TO ACCESS, MODIFY AND DELETE YOUR PERSONAL DATA

As regards the data collected via the platforms, you can access and modify this data directly from the personal space made available to you on these platforms.

If you do not have a personal space, you should refer to the access and modification policy of the Platforms.
